

PTHVN

PTHVN is an enthusiastic music and sound production company, founded in 2009 by Dutch brother-duo Daan Pothoven and Roel Pothoven. PTHVN's main focus: to strengthen the moving picture with custom music and sound.

PTHVN key benefits

- Custom music and sound production
- Experts in both electronic and acoustic production
- Known with a wide variety of musical styles (see below)
- Flexibility: used to short deadlines
- Network: many contacts in the creative industry
- Buy-out principle: pay once per project

Our expertise

Music production:

Dance, dub-step, rock, house, pop, jazz, trance, blues, electro, hardstyle, metal, ambient, experimental, bigbeat, punk and synthtron.

Sound production:

Foley and synthetic.

Our clients

PTHVN is a business-to-business company. We mostly work for video-production or advertising companies.
